Key Stage 3 Curriculum

2024-25

An Ambitious Curriculum

All students follow a curriculum at KS3 that is ambitious for them. We want every learner to be highly motivated by the subjects that they study and build a strong foundation of rich knowledge that will prepare them for future study and employment.

The curriculum provides a wide range of opportunities for students to enrich their experiences and engage with a diverse range of texts, narratives and key figures in order to build their cultural capital.

Subjects Studied

We follow a two-week timetable and 75-minute lessons and so the time allocated for each subject is per fortnight.
