If the cost of the Bodmin Offer or the Beyond Offer presents a financial challenge for your family, the school is here to help. In some circumstances, we can provide financial support, which may include contributing towards the cost or covering the full amount, depending on the nature of the request. Our aim is to support families in a way that ensures every child can fully participate in this enriching experience.

To apply for financial assistance, parents or careers will need to complete a Financial Support Request Form, which is attached to this booklet. We encourage families to contribute where possible, as this helps us to continue offering such opportunities in the future. However, we understand that every situation is different, and we are here to help in any way we can.

If you have any questions about financial support, please contact the school office. We are happy to assist and ensure this week is accessible to all.
